

SETUP INSTRUCTION

1. Unfold the 3-parted pole.

2. Lock the foot onto the slot of the bottom profile. Insert the pole into the cup of the foot.

3. Hold the graphic at the top profile and the pole at the same time.

4. Pull the graphic slightly and position the plastic end tip into the slot of the top profile.

CAUTION: Do not step on the foot!

Lite

MOUNTING THE PANEL

1. Attach the graphic onto the panel strip by removing each time a few inches of the protective liner of the tape.

2. Align the graphic with the strip and press the graphic firmly on the strip.

3. Repeat the above steps at the back of the graphic with the security tape. Press firmly.

4. Slide the graphic into the profile and secure with a piece of tape at the back.

5. Repeat steps 1 to 4 for the bottom of the graphic.
